REGISTRATION FORM (Groups or Individuals)

WSJMUN accepts two kinds of registration: (1) by troops (or combined troops) and (2) by individuals. Assignments are made on several criteria: date of registration, size of the delegation applying, Model UN experience, debate experience, and enthusiasm for the event. Make a case!

Please do not apply for your own country. We are trying to learn about the world.

Make a case for your group or yourself:

Before making choices, check the Committee/Country Matrix.

R A N K order your country preference. Note that each Member State may have up to **T W O** delegates per committee. There are six committees. If your choice is on the Security Council (which is one of the committee possibilities), the overall delegation of that country may have no more than 12 delegates. That is 2 persons on each committee: Security Council, General Assembly (GA) Plenary, GA1, GA3, UNEP, and ECOSOC. See the list of committee topics before registering and before making delegate assignments.
